

Founded over a decade ago with a dream & a leap of faith.

Countless hours were spent long ago on a menu developed in our founder's small apartment kitchen at all hours of the night. Sleep was hard to come by, breaks were not taken — Not until it was perfect. Over the years, King Street Grille has evolved into a private group of restaurants that has made it this far priding ourselves on being a different kind of sports bar, one where you can watch your favorite teams with **Great Food, Great Beer and a Great Atmosphere.** We think about that small kitchen all the time to help us remember that our scratch made food is what separates us from your average sports bar.

THE ULTIMATE UPSCALE SPORTS BAR EXPERIENCE.
